- **SOCIAL MEDIA POST**

COVID-19 has been a very difficult time for all of us. Many of you have been forced to wait for dental care, and we deeply appreciate your understanding while we kept our office closed to help control the spread of the coronavirus.

We are excited to say that we are planning to reopen our office for patient treatment on [date]!

We have carefully planned and revised our office procedures to greatly minimize any risk of infection. Our own families are also patients here, so you can be assured that we'll be taking care of you just as cautiously as we'll be taking care of them.

If you're ready to schedule your next appointment, give us a call at 000.000.0000.
We look forward to seeing you soon!
